*“I learned a lot of life lessons I will
carry through-out my life” –
Lesiana Randolph-Rowe '17 Senior*

The Smart Girls Smart Choices Project was designed to provide a series of monthly workshops which included sessions on increase engagement in science, technology, engineering and math, (STEM), how to find academic support and drop-out prevention, dressing for success, public speaking, formation of positive self-image, guidelines for goal setting, keys to financial literacy, opportunities for college tours, making positive decisions to avoid alcohol and substance use, and building leadership and advocacy skills.

Goals

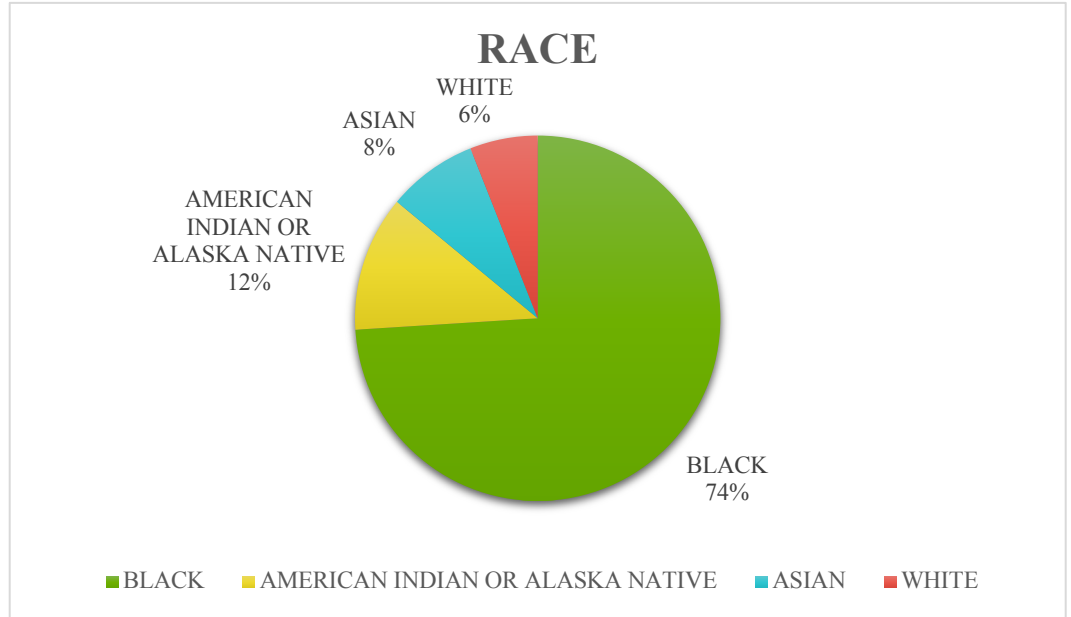

- **Serve 45 Participants from Wake County.**
- **90% of the girls will experience, share, process, generalize and apply how each topic relates to their personal life after each workshop utilizing the experiential learning model.**
- **90% of girls will successfully complete the seminar series based on attendance reports**

PERFORMANCE & OUTCOMES

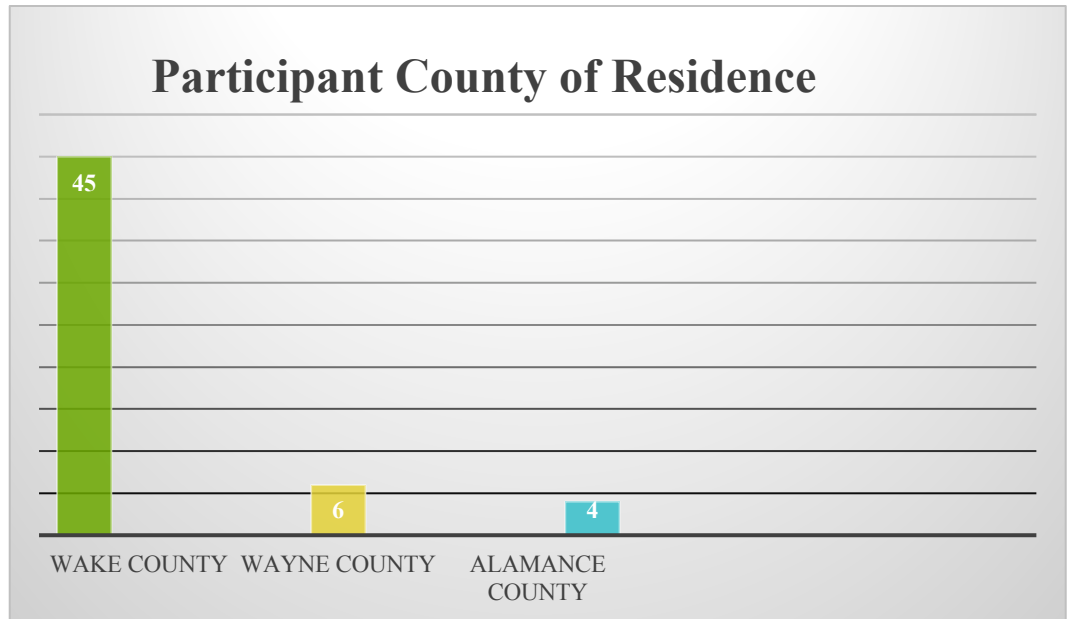

“Keep doing what your doing, there are a lot of girls that need this program”- (Dad of participant)

55 PARTICIPANTS SERVED!!!

“YOU ARE DOING A GREAT JOB WITH THE PROGRAM”- MOTHER OF PARTICIPANT
